Meet Annabelle 'Bembie' Molyneux

Founder & Formulator

Annabelle 'Bembie' Molyneux brings 15+ years of cosmetology expertise, spanning Utah, Texas, and California. Her journey began with personal eczema struggles, leading her to formulate clean, luxury skincare solutions that combine prestige chemistry with sensory indulgence for radiant vitality. Driven by ethical craft and a passion for nurturing, Bembie's creations offer a restorative journey for glowing, healthy skin.

The Dilemma: Gatekept Glow & Fragile Skin

The Flare-Up Reality

Mainstream cosmetics often rely on harsh fillers, fragrances, and irritants that trigger eczema.

The Luxury Price Trap

Prestige barrier creams demand exorbitant price tags (\$300+ jars) for everyday relief.

The Pretty in Palette Solution

Eliminating industry gatekeeping with scientifically formulated, skin-calming luxury for everyone.

Clean Standards & Ethical Formulation

100% Cruelty-Free & Ethical

Never tested on animals, crafted with deep respect for conscious beauty.

Talc-Free & Paraben-Free

Eliminating common allergens and controversial fillers for pure, peaceful skin.

North American Crafted

Produced locally in North America under stringent quality and purity standards.

Eco-Conscious Packaging

Housed in recyclable containers that honor both skin wellness and the planet.
